EVENT OVERVIEW

What are the dates and times for the 2014 Warriors Over the Wasatch?

The dates are Saturday, June 28, through Sunday, June 29. Gates opening and closing times are 8 a.m.-5 p.m. You can find the complete list of events at www.Hill.AF.mil/WarriorsOverTheWasatch/

Why are you calling it Warriors Over The Wasatch?

We recognized that changing the name each time we held an open house and air show made us difficult to follow. All future open house and air show events held at Hill Air Force Base will be called "Warriors Over the Wasatch."

Why not just call the event an air show, instead of an open house and air show?

We want to highlight that this is an opportunity to see what goes on at Hill Air Force Base. There will be a great flying show, but we will have a wide variety of static displays and will highlight the variety of missions the base performs beyond just flying.

Is the schedule the same for both Saturday and Sunday?

Yes. Both days are generally designed to be the same, but all performances are subject to change without notice.

INCLEMENT WEATHER

In case of rain or other inclement weather, will the show go on? Will the weather change anything or hamper the show?

Warriors Over The Wasatch will go on regardless of weather. Weather may sometimes drive changes in the schedule, but the show will still go on. Only in the cases of the most severe weather (like fog where pilots cannot see the ground), would the base have to postpone some of the events on a given day

If there are any delays, the static airplanes and ground displays are still available. Please plan on coming out regardless of the weather. If rain is in the forecast, then come prepared with appropriate clothing and protection from the elements.

MOTORCYCLISTS

Will riders be required to wear personal protective equipment (PPE), such as helmets, on base during the event?

Yes. In order to drive on base, all motorcyclists will be required to wear PPE. Since we do not want to turn anyone away at the gate, the following must be worn if riding a motorcycle on base.

1. A helmet certified to meet current Federal Motor Vehicle Safety Standard No. 218;
2. Eye protection that meets or exceeds ANSI Z87.1;
3. Protective clothing to include:
 - long-sleeved shirt or jacket;
 - long trousers;
 - full-fingered gloves or mittens (must be made from leather or other abrasion-resistant material);
4. "Sturdy over-the-ankle footwear" that provides protection for the feet and ankles.

ATMS/VENDORS

Are there going to be any ATMs at the event?

Yes; however, it would be best to bring cash to the event in order to limit standing in ATM lines.

Will food, beverages and souvenirs be sold at the event?

Yes. There will be many different vendors selling a variety of foods, drinks and beverages. There will be water stations with free water available to everyone attending the event.

SMOKING/PETS

Will smoking be allowed?

For safety reasons, smoking will not be allowed at the event.

Are pets allowed at the event?

Aside from service animals, pets are not allowed at the event. Please leave your pets at home.

EMERGENCY INFORMATION

What do I do in case of a medical emergency while I am attending the event?

In the event of a medical emergency and you are able to walk, please report to an onsite medical tent/area. If you or the victim is not able to move, please flag down a staff member or dial 911 from your cell phone. For 911 calls, identify that you are on Hill Air Force Base for the open house and air show and they will route Hill emergency first responders to your location.

LOST CHILD/PARENT

What if I am separated from my child?

Families are highly encouraged to stick together or to meet frequently at pre-determined times and places. Alternately, a pre-arranged meeting place should be identified in case of separation.

There will be a lost child/parent area at the event in hanger 1 (large hanger airshow is centered around). Our trained volunteers will provide a safe and secure place with cool shade, water, snacks, books and games for your child while he/she waits to be reunited with you.

Contact any volunteer or staff member for directions to the lost child/parent area and listen for announcements over the loud speakers. This is a large event with several hundred thousand participants spread across many acres of ramp space.

SECURITY/RESTRICTED ITEMS

Are there restrictions on what can be brought to the event?

Yes. For security reasons, we prohibit coolers of any kind or size at the event except for small coolers used for infant food/drinks or for medications that require refrigeration.

Alcohol, non-prescription drugs, and weapons of any kind are strictly forbidden.

Water/clear liquids in clear containers and non-perishable foods are allowed; however, carried items must be in small hand-bags only.

Small, space saving, fold-up lawn chairs will be permitted but large and bulky chairs are not. As a point of reference, fold-up chair dimensions around 37" W x 24" D x 40.5" H are about the largest that will be allowed.

Everyone attending the event will be required to walk through detectors and all items brought will be thoroughly searched. In order to maximize checkpoint efficiency while maintaining security, we ask all patrons to limit the amount of items brought to the event.

Can I bring my awning or tent?

No. Awnings and tents are not allowed to be set up at the event; however, small personal umbrellas may be utilized.

Will small coolers for lunches be allowed?

No. For security reasons, coolers of any size or shape are not allowed unless they are specifically needed for medications that require refrigeration or to hold infant food/beverages. Under those two approved situations, only small coolers will be allowed.

This does not prevent anyone from bringing non-perishable food for lunches or water/clear liquids in clear plastic bottles. Please be aware that there will be water stations with free water available to everyone attending the event. There will also be many different food vendors selling a variety of foods and drinks.

Can we bring food and water?

Yes. Water/clear liquids in clear containers and non-perishable foods are permitted; however, items hand carried must be in small bags and will be searched at the security entrances.

Other options include the free water that will be available at multiple locations throughout the event. A variety of food, drinks and souvenirs will also be available through multiple vendors located throughout the event area.

For security reasons, coolers of any size or shape are not allowed unless they are specifically needed for medications that require refrigeration or to hold infant food/beverages. Under those two approved situations, only small coolers will be allowed.

Can I bring lawn chairs?

The only chairs that will be permitted into the event will be small, space saving, fold-up chairs. Large and bulky chairs are not allowed. As a point of reference, fold-up chair dimensions around, 37" W x 24" D x 40.5" H, are about the largest that will be accepted through the gates.

Can I bring a wagon to haul my kids around in?

Strollers are acceptable. Please do not bring wagons as they will slow the entry process through the security screening.

Can I bring my bicycle into the event?

No. Please leave your bicycles at home.

Can I bring in my Camelbak to the event?

Yes. Small hydration systems are authorized, but will also be searched.

GETTING HERE/PARKING

How do I get onto the base for the event?

Entry onto the base will be through the three main gates at Hill Air Force Base. This includes the South Gate, West Gate and Roy Gate. Upon entering Hill Air Force Base there will be signs and staff members directing spectators where to park. Some parking lots are within walking distance to the entry portals. Some parking lots are too far to walk. In this case, we will provide complementary shuttles to the public entry portals. Please follow all posted instructions and those given by personnel directing traffic to ensure a smooth entry process.

Will there be handicapped/disabled accommodations?

Yes. There will be areas reserved for handicapped/disabled parking through the SOUTH GATE exit 334 off of I-15. There will also be wheelchair accessible restrooms. During the event there will also be a sign language interpreter available. Handicapped/disabled patrons that have a handicap plate or placard, and have limited mobility, are encouraged to enter base through the South Gate and to use the lane farthest to the right.

Will RVs be permitted on Hill AFB? Where will they be allowed to park?

Hill AFB will not turn RVs away; however all RV's must enter through the south gate (exit 334 off of I-15) and will be directed to park in the Red Lot #4. RV's entering the west or Roy gate will be directed to the south gate.

What gates are we able to go through?

Members of the public that would like to attend this event will be able to access Hill Air Force Base from the Roy Gate, the West Gate and the South Gate. Any attendees that have handicapped plates or placards should enter through the South Gate (exit 334 off of I-15) using the far right lane. From there staff members will direct spectators with disabilities to the handicapped parking area.

Where will we be allowed to park?

Once you have entered the through an appropriate gate you will be directed by staff members where to go. Please do not deviate from the staff member's directions since their instructions will be critical to quickly and efficiently parking the vehicles of several hundred thousand spectators. On this note, we encourage everyone planning to attend "Warriors Over The Wasatch" to carpool to help alleviate parking congestion or to utilize the Utah Transit Authority service from the Clearfield Station.

Will there be water and restrooms outside the event area in the parking lots?

No. Water and restrooms will only be provided within the event area on the flightline. Due to potential traffic congestion and warm weather, it is strongly recommended to bring extra water and plan accordingly for delays.

Will bicycles be allowed on base to get to the event, but not to be used within the restricted areas? If so, where will the bike racks be located?

Bikes will be allowed on the installation but members must be wearing a helmet in order to gain entry. There will be no designated bike racks for parking and bikes will not be allowed through the security portals into the event area.

For people living on base, will there be any gates that are restricted? How can I get on and off base if I'm not attending the open house and air show?

The only gate available for base housing residents will be the South West Gate. The South West Gate will also be available to other base patrons to get to base services such as the Commissary, BX, Chapel, etc. Both inbound and outbound lanes will be open. The Roy, West and South Gates will not be accessible except for those attending the open house and air show.

Will the Utah Transit Authority offer bus transportation to/from the base on Saturday and Sunday during the air show?

Yes, UTA will offer their services. It will be free of charge with Frontrunner pass; \$15 for an all-day pass for 4 people, and free for those 5 years or younger. UTA will charge \$2.50 for one-way rides. (www.rideuta.com/news/2014/06/air-show/)

Thank you for your interest in attending the 2014 Warrior's Over the Watastch Open House and Air Show. We hope you have a fun experience!
